Courtesy Pay occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. Please refer to the Terms and Conditions of Your Account (Agreement) for a more thorough explanation of factors that determine when Courtesy Pay occurs and when you may incur a fee for overdrawing your account. The terms of the Agreement are incorporated herein, and both this document and the Agreement are meant to be interpreted together. We can cover your overdrafts in two different ways:

- We have Courtesy Pay overdraft service that comes with your account.
- We also offer overdraft protection, which can link your checking account to other accounts you are an owner of to cover any transactions that would otherwise overdraw your account. Northern Skies also offers overdraft protection from a line of credit or VISA credit card account (subject to credit approval). *These services may be less expensive than Courtesy Pay overdraft service.*

Our Courtesy Pay Practices

What are the standard overdraft practices that come with my account?

Once your account has been opened a minimum of 30 days and is in good standing, we do authorize and pay overdrafts on the following types of transactions:

- Share drafts/checks and other transactions made using your checking account, such as ACH payments
- Automatic bill payments
- ACH Transactions

As required by federal regulation, we will not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- One-time debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if Northern Skies pays my overdraft?

Under Northern Skies' Courtesy Pay overdraft service:

- We will charge you a fee of **\$5.00 to \$25.00** each time we pay an overdraft.
- There is no limit on the total fees we can charge you for overdrawing your account.
