

Children's Online Privacy Policy

Northern Skies Federal Credit Union ("NSFCU") provides the Kids Club section (*Dollar Dog Kids Club*) of its web site for the convenience and education of the children of its members. NSFCU is committed to protecting the online privacy of the children who visit its web site and to complying with the Children's Online Privacy Protection Act.

IF YOU ARE UNDER AGE 13, ALWAYS GET A PARENT'S PERMISSION BEFORE GIVING OUT ANY PERSONAL INFORMATION ABOUT YOU – INCLUDING YOUR NAME, ADDRESS, TELEPHONE NUMBER, OR E-MAIL ADDRESS – TO ANYONE ON THE INTERNET.

- NSFCU does not knowingly collect personally identifiable information from children under the age of 13, including "cookies", during web site visits.
- Because we do not collect the above-mentioned information from children under 13, we do not distribute any such information to third parties.
- NSFCU does not condition the participation of a child in any Kids' Page activity on the provision of any unreasonable personally identifiable information.
- If any personal information is collected for an event or contest including name, address, phone number and e-mail address, this information is used to notify winners and is not sold to third party vendors.

The NSFCU Kids' Page may include links to the external web sites of others, including educational information, amusement parks, area attractions and merchants that provide products for children. These external sites are not part of NSFCU's services, are not under our control, and may not comply with applicable law. Because these external web sites may have privacy policies that are different than NSFCU's, please consult the privacy policies of any web site that asks for personally identifiable information before providing it.

Parents should review online activity and can ask to have any personal information from the child deleted and may refuse any further collection or use of the child's information by NSFCU. NSFCU will delete material in a commercially appropriate manner. In turn, NSFCU may terminate any service provided to the child, but only if the information at issue is reasonably necessary for the child's participation. For example, if a child is entering a contest, the child's name, address, phone number, and possibly e-mail address (if the contest is a website only contest) would be necessary and optional information.

If you have any questions about this privacy policy, please do not hesitate to contact us.
